## **PRESIDENT'S REPORT – Harish Shah 9803-9724**

Following our meeting on 5<sup>th</sup> June, 22 of our members had lunch at Sophia's Restaurant. Those present had a great time.

On 14<sup>th</sup> of June I attended an informal group meeting, which was organised by Michael Ransom, the PSPL Ambassador to the Nunawading Probud Cluster. There, I met Presidents of other Probud Clubs from our area and each of us discussed our individual club's achievements and issues.

Staffing of Committee stood out as a common issue. Probud recommends a three-year term for most Committee positions. On that score, we have done quite well by getting new faces on to the Committee at regular intervals, though some of our Committee Members have served continually in multiple positions. We thank them for their services.

Succession planning of the Committee positions is absolutely necessary for maintaining momentum of our Club. The Committee is made up of: President, Vice-President, Secretary, Treasurer, Publicity, Bulletin Editor, Member Services, Guest Speakers and Welfare, while the positions of Outings and Tours remain unfulfilled.

As part of that succession planning process, your Club needs three Members to volunteer to be on the Committee for the next year. If you are thinking about it, then step out, it is time that you did something for yourself.

Contact me or any of our Committee Members ASAP.

If you did that now, the committee will have time to provide you with necessary exposure and training, which will enable you to confidently move into your chosen role, once you have lodged your nomination and are elected at the AGM.
