## **PRESIDENT'S REPORT – Harish Shah 0430 380 806**

At our August meeting, Gerry Burton gave a brief account of his involvement with the historical Apollo 11 mission, which landed two men on the Moon, on 20<sup>th</sup> July of 1969. Gerry was involved in subsequent Apollo missions as well, including the one that went to Mars.

After the meeting, lunch was at the Burvale Hotel Bistro. I had booked for 22 but as many as 29 attended. Everyone liked the venue, some even suggested that we return to the venue in future.

At our June meeting, I had called out for three volunteers to support our committee members. I have had no response so far. Over the past six years, our Club has attracted more than 50 new members. I would encourage them to volunteer.

## **AFTER MEETING BBQ**

After the monthly meeting, please join in for a BBQ at the Horticultural Centre.
