PRESIDENT'S REPORT Kath Thompson 9817 5546

Another month has gone by and we are still not yet through having to be in lock down. I hope you are all remaining cheerful and doing all the things to combat this virus.

I have spent a lot of time on Skype or Messenger talking to my family and seeing what the grandchildren are up to, my grandson Jasper in Kent has just started to walk so I was able to see him walking which was great.

On the sunny mornings I try to get out and walk and get some fresh air and hope you are doing the same. I am looking forward to the day when this virus has been conquered and we can get back to being together again.

CORRESPONDENCE:

Email from Whitehorse City Council advising any meeting to be held on Council premises would require:- "social distancing, entry in single file through a designated door, all names and telephone numbers of attendees, exit in single file through a different door, no food or drink to be consumed on the premises. These regulations would not permit us to hold a meeting of approx. 68 – 70 members (which is the average monthly attendance) at the Horticultural Centre. These instructions were received when social gatherings of 20 persons were permitted. It is most likely we will not be able to hold a meeting this year due to strict regulations applicable in Victoria.

We do hope all are managing this latest lockdown with as positive spirit as possible.

1. Margaret Wallis is now in permanent care at Strathdon.
2. Lindsay Whitrod had a fall at home, spent 4 weeks in Knox hospital and thinks he may not be physically well enough to attend future meetings.
3. Eric Sutherland is still at Mont Albert but desperately hopes he will be moved soon.
(Eric wanted to extend his appreciative for the numerous contacts made by his fellow probians during his isolation. "The spirit of probus in action" he commented.)

Please advise if you are aware of anyone else who should be included here.

We hope you are keeping safe and well.
