## **PRESIDENT'S REPORT Kath Thompson 9817 5546**

I hope you are all managing to cope with the Level 4 restrictions and are not feeling too isolated. If you are feeling lonely PLEASE give some of your Probud friends a call and sit by the phone with a cup of tea and imagine yourselves at the morning tea break of a meeting, catching you with friends.

With the 5 klm radius I am unable to go to help my son in Ringwood as the carer for families has been taken off the list in level 4.

He and his wife Penny who teaches at MLC are working from home as well as home schooling 2 sons, one in year 2 and one in prep who have to be supervised, AND look after a 2-year old who wants attention!!!!

I think of all the families who are in the same situation and my heart goes out to them all. I think they are all heroes BLESS THEM.

I pray we can lift this level 4 soon, if we all obey the rules for a bit longer we should I start to see an improvement.

### **WELFARE: Ree Dowling 8868 7871 Mob. 0410478304**

It seems that everyone is doing relatively well despite the difficult lock down.

Hopefully, we are on the 'other side' now and September will allow for the start of opening up.

Eric Sutherland is expected to be home on Wednesday 26<sup>th</sup> August after recuperating at Victorian Rehab Centre. A marathon of many weeks with little visitation permitted.

He has been so grateful for Probian's phone calls.

Please advise if you are aware of anyone else who should be included here.

Keep well and safe.

### **Message from the editor.**

I would be pleased to hear from any member who has any items of interest for future bulletins. You may have taken up a new interest or hobby during lockdown which you would like to share with members. I am sure everyone would welcome any new ideas.

### **SHAMPOO WARNING.**

Do not wash your hair with shampoo while in the shower.

Many people use shampoo in the shower, but when doing so the shampoo runs down the Body.

Printed clearly on the label is the claim FOR EXTRA BODY AND VOLUME.

No wonder people gain weight SO STOP USING SHAMPOO START USING DISHWASHING LIQUID

Its label reads DISSOLVE FAT THAT IS OTHERWISE DIFFICULT to REMOVE PROBLEM SOLVED?

If I don't answer any phone calls or text I will be in the shower
